

BLAISE CACCIOLA
ARCHITECT

Junior Interior Designer

BCA is a team-oriented, studio environment, passionate about creating meaningful work. We are expanding our design team to fill the position of Junior Interior Designer.

At BCA we focus on challenging building types: research laboratories, healthcare, industrial & commercial facilities of all types in addition to select residential undertakings.

Qualifications:

- 2-4 years' experience in a commercial design firm, architecture, or related design position.
- Revit and AutoCAD proficiency
- SketchUp, Adobe and Enscape a plus
- BA/BS/Undergraduate
- NCIDQ; working towards certification

Description:

The interior designer will develop design solutions for projects under the direction of senior staff and Director. They will have the ability to work independently and the flexibility to support senior design staff. The interior designer will work on a range of projects from small tenant improvements to large commercial projects.

They will have the ability to work under pressure, to prioritize a number of concurrent tasks.

The position requires excellent verbal and written communication skills. The interior designer should be able to communicate and comprehend design direction quickly and be able to assert themselves in a team environment.

Responsibilities:

- Participate in all phases of projects including programming, concept design, schematic design, and design development in addition to construction documents.
- Prepare graphic materials including diagrams and special 3D massing studies.
- Prepare materials and finish boards.
- Manage the materials and finishes library and coordinate with product representatives.
- Evaluate and select furniture, finish and accessories while consulting senior staff.
- Create and manage FF&E specifications.
- Communicate with consultants, contractors, fabricators, and regulatory agencies to meet overall project objective.
- Review shop drawings for design intent.
- Manage individual tasks to fit within the overall project schedule.

Compensation/Benefits:

- Wage commensurate with experience
- Paid Time Off and Holidays
- Retirement & Health Insurance Benefits
- Support with exams and licensing
- Flexible Schedule
